

The Ominous Spending Bill – Another Republican Deception (A Failure in Representation – The Continued capitulation to Obama)

If you do not understand why 41 % of Republican voters support Trump you have to go no further than the \$1.149 Trillion Ominous Spending Bill. It includes \$1.6B to Resettle Illegal Immigrants Arriving at Border Through 2018, click [HERE](#).

Senator Jeff Sessions explains best and elaborately why ‘Voters Are In Open Rebellion’ of Washington in general and in this Bill in particular. Click [HERE](#) to see a video of his speech on the Senate floor.

This spending bill enables funding of Syrian Immigration, funding of Sanctuary Cities, Obamacare, UN Climate Change Program, Planned Parenthood, and all the other Democrat wants. No wonder, as Pat Caddell (Democrat truth-teller and Carter’s Speech Writer) says Government has lost the consent of the Governed, click [HERE](#).

What is Being Said in the News

The following are articles (with First-Paragraph summaries) on what is being said about the Spending Bill and Ryan's Boehner-like behavior. (Click on the BLUE titles to link to the full articles.)

1. – [Speaker Paul Boehner](#)

The Ryan-led House GOP has utterly betrayed the Republican base that elected them. In the recently passed budget deal for which, according to the *Washington Post*, “House Republicans provided most of the needed votes,” the GOP leadership saw to it — after swearing up and down that they would use their congressional posts to defund Obamacare, stop the Obama executive amnesty, and defund Planned Parenthood — broke every last promise. Once elected, the GOP Congress turned on their own supporters — deliberately, willfully, eagerly — and broke every last promise. All of them.

2. – [New Ryan budget hands out goodies for NASCAR tracks, racehorses, teachers, college students...](#)

Congressional leaders agreed to a budget-busting set of tax cuts late Tuesday as part of a year-end, clear-the-decks deal that marks a major reversal from the last four years' focus on deficits and streamlining the tax code.

While the total cost of the package had not been publicly estimated by the Congressional Budget Office, it was expected to total in the hundreds of billions

of dollars over the next decade — undoing in one swoop many of the deficit gains the [GOP](#) had won under then-Speaker John A. Boehner.

3. – [White House: US spending bill appears to meet Obama's priorities](#)

"The president's team is still reviewing the text of omnibus, but it appears to meet the priorities the president outlined first at the beginning of this year," said Jennifer Friedman, a White House spokeswoman.

4 – [Funds for Obama climate deal survive in spending bill](#)

In a victory for the Obama administration, the spending package released by congressional leaders on Wednesday won't block American financial contributions to an international climate fund for poorer nations.

5. – [Planned Parenthood unscathed in spending bill](#)

Planned Parenthood is praising Democrats in Congress after the spending bill released early Wednesday morning spared the organization from cuts.

6. – [RYAN GIVES IT ALL AWAY](#) The new speaker's first big deal is just like all of the ones that infuriated conservatives under Boehner.

7. – [Time for Paul Ryan to go](#)

Paul Ryan is acting like every Democrat's wet dream. The massive budget he is shoving down America's throat is a wish list full of [everything](#) the Democrats could possibly want.

- o He's giving \$1.6 billion to resettle illegal aliens rather than deport them.
- o He is fully funding Obama's illegal amnesty.
- o He is fully funding Obamacare.
- o He is fully funding Planned Parenthood and their baby cutting tactics.
- o He is allowing Obama to bring in hundreds of thousands of Muslim refugees.
- o He is fully funding the EPA's program to shut down coal-fired power plants.
- o He is going to add hundreds of billions of dollars to our national debt.

8. – [The Republicans in Congress Are Surrendering to Obama](#)

Today Sen. Schumer summed up what's wrong with Washington when he told Politico, "Sen. McConnell wants to see the Senate work. But the good news for [Democrats] is, to make it work, he has to do basically our agenda."
